## Company

- **Aluminium Alloy Sections:** Manufacture 5mm to 125mm cross sectional diameter profiles for industrial and commercial use
- **Mumbai:** Operate three million dollar 100,000 sqft automated manufacturing facility located near Mumbai
- **Data Driven–Quality Focused:** Practice precision manufacturing using latest technology to provide best quality

## Product and Services

- **1000 + Industrial SKUs:** Serve a mix of HVAC, pharmaceutical, furniture, marketing displays and electrical panel industry
- **1000 + Commercial SKUs:** Supply doors, windows and construction industry with 90 profiles in 5 different weight ranges
- **Value Added Services:** Provide additional services such as die design, die development, color anodizing, customized size etc.

**We produce world class aluminium profiles using  
precision manufacturing technology**

R.Y. EXTRUSION PVT. LTD.
